Subject: Letter of Recommendation for Akanchha Kumari

It is with much pleasure that we take this opportunity to write a personal recommendation for our Graphic Designing Intern, Akanchha Kumari. The intern has been a part of our project "Sister Squad" for a duration of 3 months, from July 2021 to October 2021.

Akanchha has been among the top contributing interns of this project, she has not only displayed acumen for social advocacy and creative ability but has also proved her diligence and dedication.

She has been a valuable part of this project and aided in social media content for advocacy and behavior shift towards gender inclusion.

Akanchha has completed her responsibilities with enthusiasm thus proving her passion for the subject. She is very focused and an outgoing individual of good character and a team player.

We, therefore, recommend Akanchha Kumari , and as per our knowledge, we believe her to have the necessary skills and expertise to perform duties assigned to her timely. We are confident she will apply the same enthusiasm to any institution thus giving her best. Always feel free to contact us for more information on the above subject.
